2) Pay with your VISA, MasterCard or JCB credit card.

Send us the following information by regular mail or fax:

- a) your credit card number
- b) your credit card expiry date
- c) your credit card “safety code” (the last 3 digits of the number on the signature strip)

3) Pay with your credit card through PayPal.

You can also pay us through PayPal, at www.paypal.com. Our PayPal address is info@barkhuis.nl. This service is free of charge, safe, and easy to use. You will need a credit card, but you do not have to give your credit card data to us, only to PayPal. If you are new to PayPal, please tell us, and we will send you an email message we have prepared to help customers with the PayPal payment process.

4) Send a ‘secure letter’.

If nothing else works, you may pay us in cash by sending us an envelope containing paper currency (bank notes). Your post office can inform you about the possibilities, risks and costs.
